Thanks -- it would need to be on Sat 4/19 now. I'd like to ask who that is, so I can speak with them on the phone this week to agree on actions and plan, please. The 19th meeting is about actions, specifically the arrest and charging of Kite and Barngrover.

Whom I can speak with please (this week?), and then meet with on the 19th in person?

Also, I spoke with Jameson Beckner, the chief of the KS Sect'y of State Notary division, who agreed that Kite (and possibly Barngrover) should have their notary commissions revoked, and the Notary division is already working on that process.

Kite also filed papers in Wichita federal court a week ago where he admitted to being a felon and committing the 2 at least (or more) felony notaries I've submitted proof of -- he refused to show his notary logbook or confirm how many -- but he admitted in his pleading to committing the felony crimes. Based on typical notary volumes, he likely committed around 1,000 false notaries. He is required by law to keep a logbook and to show it to me and you and anyone who has a relevant need to see it.

I've attached my reply, filed in federal court, that explains and references (and thereby proves) his felony admissions. I also attached the letter from the insurance bond company that Kite previously used -- and he chose not to renew -- showing that this was not a mere oversight. Did you see how this was going on for 10 months? I never saw why you wrote that you thought it was only for 12 days, which was wrong.

thanks, Mr. Linlor

Subject: mtg on 4/18 ? + current notary status in error per Notary Office -- Re: follow-up on case #25-DC-05728 (aaron kite and ansel barngrover)

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

No, his notary expired on 5/21/2024 as I sent to you (See proof reattached to this email), and per Kite, he's been notarizing hundreds of documents for the past year without any valid notary commission. The document date on the copy I sent you as 3/13/2025 (also re-attached), is **10 months** after his notary and bond both expired, not 12 days. Where did you get 12 days from??

I have statements from Robin and others in the state notary office that Kite's reinstatement was in-error, and they have stated that it was already supposed to be revoked.

Same goes for Barngrover's. I've followed-up with the Sect'y of State's office and there are several people involved, but all have affirmed what I just said, including an aide named Jackson from the KS Gov's office, who has gotten involved because they all agree that kite's commission should NOT have been re-activated and is pending being revoked. Please make sure you include this into what you provide, and I'll let you know when his status is revoked.

I'll be out in Dodge on 4/18 (that Friday) -- will you be on-duty then? I'd like to schedule a meeting with the relevant police people (yourself and who else?) at that time. Can you let me know who will be available and when, maybe late afternoon?

thanks!

I looked up Aaron Kite's notary status and as of right now he is current and valid, but I believe he had been expired for about 12 days when he notarized those documents you faxed me. Now when it comes to any court proceedings after the case is filed, that'll be questions for the County Attorney's office.

Thank you, Cpl Rodriguez.

Can you estimate a timeline for collection of evidence, and kite's arraignment hearing for me to attend remotely (Zoom or other)? I have incurred thousands of dollars in legal fees as a result of the felonies I submitted proof to you, plus, the proven felon Aaron Kite is continuing to commit more felonies and notarize more documents since law enforcement has not told him NOT to do so (enjoined him via a TRO or other means). His defense lawyers may argue that since the Police are on-notice, that delays should be misconstrued as tacit acceptance or acquiescence by the Dodge City Police to continued felony notarizations. I'm sure we all want to avoid that scenario.

When can he be arrested and arraigned with an order to stop further notarizations, please? Is there a local prosecutor with whom you want to connect me who will be prosecuting this case?

thank you, Mr. Linlor

Hello Ofc. Rodriguez:

Thanks. I appreciate that you have many cases.

About when do you expect to be able to pursue this? There are potentially 1,000 false notary stamps that he made.

It has caused huge problems and damages for me and others (we need to check his notary logbook, once you get a search warrant for that), and I want to press charges. How can I coordinate with you (or with whom) for when Kite will be arrested for the up to 1,000 felonies, and taken into custody?

I am out of town right now, but I want to be there in Dodge to witness his arrest, and I am glad to testify at the arraignment (would that be on the same day)?

thank you, Mr. Linlor

CAUTION: This email originated from outside your organization. Exercise caution when opening attachments or clicking links, especially from unknown senders.

Hello Ofc Rodriguez:

We spoke yesterday about case #25-DC-05728 multiple re: felony crimes by Aaron L Kite, and a misdemeanor by Ansel Kay Barngrover.

Did you make any plans to seize their notary books (with a search warrant) to see if there are other victims also? I'm concerned that if they know you are planning to seize the books, that they will destroy the evidence.

Any notaries that Kite has done since 5/21/2024 have been illegal felonies, and it's unknown how many notaries Barngrover has also done in the wrong format so they aren't valid notaries, either.

You already have Kite's home address of 1901 Elbow Bend in

Dodge.
Barngrover's home address is 11747 117 Rd in Dodge.
They work together in Kite's office at 808 W. McArtor Rd in Dodge (north
side of the street).

I'm very interested in stopping them from making more false notaries and
having more victims. What are you plans to stop this from continuing,
please?

thank you,

Mr. Linlor
